The diagram illustrates a 100m sprint race layout on a standard 400m track. The track is divided into 10 lanes, with Lane 1 on the left and Lane 10 on the right. The start line is at the top, and the finish line is at the bottom. The diagram shows the positions of the runners at the start, the 25m mark, the 50m mark, the 75m mark, and the finish line. The runners are labeled with their names and lane numbers. The diagram also shows the positions of the judges and the officials. The diagram is color-coded: green for the start line, yellow for the 25m mark, orange for the 50m mark, and red for the 75m mark and finish line. The diagram is a top-down view of the track.
